

Egg Drop Supply List

Here is the list of approved materials, borrowed from a site on the Internet. (Why reinvent the egg drop?)

You do not have to use all of the materials but you may ONLY use the materials from this list.

- 1 white large or extra large chicken egg – raw NOT boiled.
- EITHER 3 PAPER 5 oz Dixie cups OR 3 toilet paper rolls (NO toilet paper on them!) You may NOT use both – may NOT mix cups and paper rolls
- 10 regular drinking straws (straight or bendy) – no McDonald's type straws
- 25 wooden toothpicks – regular size.
- 25 popsicle sticks – regular size, color doesn't matter.
- 10 small cotton balls
- 1 sandwich bag - can be sealable but not larger than sandwich size.
- 1 meter of string – you MAY cut up into smaller lengths
- 50 cm of masking OR scotch tape no wider than 25mm - (no duct tape/packing tape/wider width/etc.)
- 6 rubber bands – Any size or color
- 10 paperclips (no size specification) – You MAY change the shape.
- Glue (elmers, Gorilla glue, hot glue, super glue) – No construction adhesive! You MAY not coat your egg or glue anything to your egg!

You may NOT use the glue, tape, string, or anything else to strengthen your egg!! Glue, tape, string, etc. is for either holding your structure together or for packing material. You may not adhere anything to your egg.

Your structure may be NO LARGER than 30cm x 30cm x 30cm

You MAY work independently or in group of 2. No more than 2!!

If in doubt about any item on the list - ask.

We will be dropping the eggs from the balcony.
